Serving As A Resource...

The Calhoun Health Plan serves as a resource for the uninsured and underinsured. We offer programs that assist those who cannot afford to pay for medical services or prescription medications. We also help to connect people in need with existing community resources through our **Referral** program, and help with a variety of healthcare-related needs through our **Advocacy** program.

If you need help accessing healthcare services, understanding your options, or communicating with a healthcare provider, please contact us at (269) 969-6494.

Referral Services

- We can help you find the specialist, family doctor, or counselor that you need to get better;
- We can find someone who can help with food, clothing, and other basic needs;
- We can help connect you with resources for vision, dental, and durable medical equipment;
- There are many resources available in Calhoun County to citizens in need; we can help you find them.

Advocacy Services

- We can help you communicate with other agencies, pharmacies, and doctors;
- We can help you understand Explanations of Benefits and insurance coverage;
- We can help you find out where you can get your prescriptions filled for the lowest cost;
- We can help you utilize 211 to access community resources;
- We can help you work out payment plans with your doctor and/or the hospital;
- Navigating the medical system can be very tough. We can help. If you need help working through a healthcare problem, we're here for you.

Health Care Services

The Calhoun Health Plan offers assistance in three areas:

- Access to Basic Health Care;
- Access to Prescription Medications;
- Access to Referral & Advocacy Services.

To access any of our health-related programs, please call us at (269) 969-6494.
