Leadership is a Tough Subject

I Still Have Ambiguous Feelings About Leadership... How Leadership Looks...

About How We Value Leadership... Bottom Line?

About The Sacred Trust That All Leaders Must Have...

**I'm not bossy!
I have skills...leadership skills!!
Understand?**

“A comfort zone is a beautiful place, but nothing ever grows there.”

Mary Lou Andersen

Leaders are called to stand in that lonely place between the no longer and the not yet and intentionally make decisions that will bind, forge, move and create history.

**We are not called to be popular; we are not called to be safe;
We are not called to follow;**

We are the ones called to take risks.

**We are the ones called to change attitudes, to risk displeasures,
We are the ones called to gamble our lives for a better world.**

“I WAS NEVER THE SMARTEST GUY IN THE ROOM. FROM THE FIRST PERSON I HIRED, I WAS NEVER THE SMARTEST GUY IN THE ROOM. AND THAT’S A BIG DEAL. AND IF YOU’RE GOING TO BE A LEADER - IF YOU’RE A LEADER AND YOU’RE THE SMARTEST GUY IN THE WORLD - IN THE ROOM, YOU’VE GOT REAL PROBLEMS.”

JACK WELCH

God, grant me the Serenity to accept the things I cannot change;
Courage to change the things I can;
And the Wisdom to know the difference.
Living one day at a time;
Enjoying one moment at a time;
Accepting hardship as the pathway to peace!
Taking as He did, this sinful world as it is, not as I would have it.
Trusting that God will make all things right if I surrender to your will,
That I may be reasonably happy in this life,
And supremely happy with you forever in the next!
Reinhold Niebuhr

***Prayer of Confession**

God of the least, the last, and the lost, help us each to put aside our own schemes and agendas that we might follow your will for the good of the world. Silence the noise of our lives that we may hear the cry of those in need. Put our hands to doing good work. Open our hearts so there is room for all your children. Help us to live in such a way that others might know your grace by that which we do. In Christ's name, Amen.
