

2019 Communities Joined in Action (CJA) 13th National Conference

April 24-26, 2019

Seattle, WA

SPONSOR INFORMATION

Communities Joined in Action's (CJA) National Conference, "Partnering to Build Equitable Communities" will include community health leaders and consumers who are committed to improving health and health outcomes through achieving equity.

As a sponsor, you will support our efforts to:

- **Engage** current and potential partners across all sectors to improve health locally and nationally.
- **Equip** leaders with evidenced-based models and promising practices to improve factors related to health outcomes.
- **Inspire** and share inclusive equitable solutions to ignite positive, sustainable community health change.

WHO ATTENDS?

More than 200 participants from community networks/coalitions, community-based organizations, hospital/health systems, public health, regional and local health collaboratives, safety-net organizations, health plans, community development corporations, city and county government, universities, philanthropy, housing, food systems and community health advocates

The mission of CJA is to connect and equip communities with tools to improve health equity and well-being. CJA is a national membership organization committed to improving health and eliminating disparities. CJA is a leader in mobilizing communities to build public-private community-based collaboratives that achieve better health for all people at less cost. CJA assists communities across the United States in building effective, efficient and sustainable local delivery systems that improve health and eliminate disparities.
